

# Critical Illness Insurance

## Helping you to Recover from Illness

Unexpected events not only affect a family's health and well-being, but can negatively change their current financial situation and future planning needs. Years of savings could easily be used up if a critical illness occurs.

Critical illness insurance pays a benefit when the insured is diagnosed with a serious, life-altering illness or condition. Consider how this insurance can make a difference to your financial future.

### Life Insurance

Life Insurance pays a benefit upon death

### Critical Illness

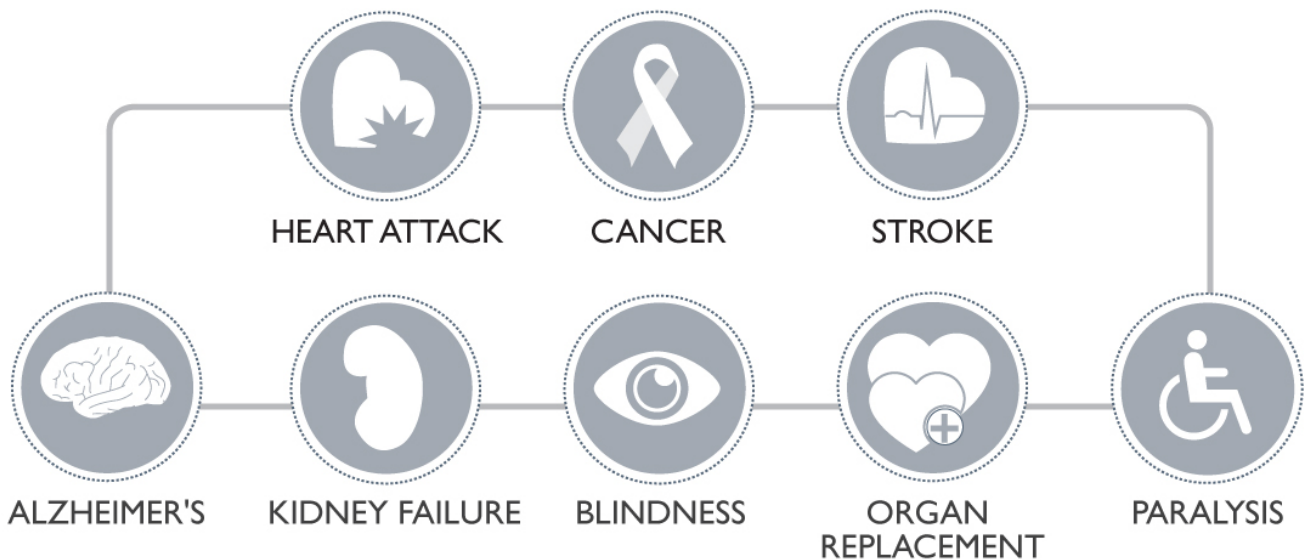

Critical Illness Insurance helps to bridge a gap between life and disability insurance. The benefit is to pay for whatever you need most.

### Disability Insurance

Disability Insurance pays a benefit to cover lost wages upon an accident or illness.

## Conditions many Critical Illness Insurance Policies cover\*

\* Individual policies will vary.

A long-term critical illness can affect an individual's family life, ability to work, and their future, well beyond recovery. Critical illness insurance is an important consideration for your financial plan. Purchasing critical illness insurance can help cover financial expenses that often arise when an unforeseen illness occurs.
